With Mannheim, Germany, as the scenery, we welcomed the 13th edition of the International Conference on Applied Computing (28 to 30 October, 2016).

This conference was organized by the International Association for Development of the Information Society (IADIS) and co-organized by the University of Mannheim.

Co-organized by:

UNIVERSITY OF MANNHEIM

The Applied Computing 2016 Conference received 94 submissions from more than 20 countries. Each submission was anonymously reviewed by an average of four independent reviewers, to ensure the final high standard of the accepted submissions. Out of the papers submitted, 23 got blind referee ratings that published them as full papers, which meant that the acceptance rate of 24%. Some other submissions were published as short and reflection papers and posters/demonstrations.

Extended versions of the best papers were selected to be published in:

❖ the IADIS International Journal on Computer Science and Information Systems (IJCSIS). ISSN 1646-3692.

Besides the presentation of papers, the 2016 event also included includes one keynote presentation given by Prof. Miriam Foeller-Nord, Hochschule Mannheim, Germany.
